A Note from your Editor

Hello

Its June already and as I look out of the window while typing this, its great to see the sunshine (albeit intermixed with occasional showers)!

Welcome to two new advertisers this month, **Burton Waters Clinic** on **Page 13** and **Wright Foot Care** on **Page 14**.

Its heart warming to see a steady stream of events starting to happen this month as Summer gets under way. Keep an eye open for the **'Open Garden Event'** at Brattleby on **page 23** and if you like the idea of volunteering how about helping out **RAF Heritage Centre** and **Ingham School** - all the details can be found on **pages 10 and 32**.

No body likes to be 'Scammed' and if you would like to see the latest advice on how to avoid them, pages 20 & 21 has the latest advice!

If someone you know is outside the distribution area of the VV and would like to see a copy, point them in the direction of these three websites.

2020 Dealuri Romanian Feteasca Regala

Asda have long stocked a version of this unpronounceable Romanian white but now other retailers are recognising what brilliance the grape variety represents. Well-priced and soft, this example contains floral, quince and apple flavours with a neat prickle of lemon acidity supported by hints of all-spice and butterscotch.

2017 Irresistible Rioja Crianza

Six pounds is crazy money for this excellent Spanish red - Crianza is the step before Reserva in Rioja's wine hierarchy. With rose influenced aromas, it delivers intense cherry and bramble flavours neatly supplemented by balanced tannin and orange zest acidity coupled with clove, caramel and green herb elements

200 Club

Owing to the Covid situation, we have had to make some changes to the operation of the 200 Club this Spring:

- There will **not be a lottery round in Spring 2021** or any draws made in the first half-year. We could not collect £10 cash payments in the usual way during lockdown. From July, we shall be asking our cash paying supporters to pay £20, to cover the full year.
- Instead, the Autumn 2021 will be a “double-up” lottery. This means that there will be twice the usual winners – in effect, two lottery rounds rolled into one.
- So, for example, instead of seven winners, there will be fourteen in each month from September through to December.
- The chances of winning are therefore exactly the same for the year as a whole.

Thanks

From the PCC Secretary, Springline Parish

We hope to restart our parish worship on Sunday 27th June with a United Parish Communion Service at St Cuthbert's Church, Brattleby at 10.30 am presided and preached by Bishop Nigel Peyton, Assistant Bishop in the Diocese of Lincoln (dependent of course on the lifting of current restrictions). During the past year St. Cuthbert's has been closed for re-plastering and redecoration thanks to the work of The Friends of St Cuthbert's and this church now looks beautiful so do come and support our return to regular worship.

From July we will be starting a new pattern of worship across the parish which will also continue to include the use of Zoom which has proved so successful during the past 12 months. Full details of the new worship pattern will be published in the July issue.

The PCC recently held their Annual Meeting when the Churchwardens and PCC members were re-elected and Mrs Lynne Blakelock (Cammeringham) and Mr John Campbell (Ingham) were co-opted onto the PCC as new members and Mr John Lockwood elected as a second PCC Vice-Chairman. John Campbell has also taken on the new role of Pastoral Care Officer for the parish.

On May 8TH I attended The Diocesan Synod when The Resourcing Sustainable Church report was approved for implementation across the diocese. This initiative is designed to overcome the annual £3 million deficit with reduced clergy numbers, disposal of unused properties and the formation of local mission partnerships due to reduced clergy numbers, a new classification of church types and a new form of covenanted giving to replace the current system of Parish Share. This programme will be phased in over the next 4/5 years. I will keep you updated as this programme is rolled out.

With best wishes to you all,

John Moore

If it sounds too good to be true it probably is!

Scammers use email, phone call and text messages

Criminals want to convince you to do something which they can use to their advantage.

In a scam email or text message, their goal is often to convince you to click a link. Once clicked, you may be sent to a dodgy website which could download viruses onto your computer or steal your passwords and personal information.

Over the phone, the approach may be more direct, asking you for sensitive information, such as banking details. They do this by pretending to be someone you trust, or from some organisation you trust. This could be your Internet Service Provider (ISP), local council, even a friend in need. And they may contact you by phone call, email or text message. The term 'phishing' is often used when talking about emails.

Scams during the COVID-19 pandemic

While everyone is worried about the coronavirus, cyber criminals have seen this as an opportunity. In emails and on the phone, they may claim to have a 'cure' for the virus, offer financial rewards, or encourage you to donate to worthy causes. Like many scams, these criminals are preying on real-world concerns to try and trick you into interacting. They may also mimic real NHS messages.

These scam messages can be very hard to spot. They are designed to get you to react without thinking.

If you think you've already responded to a scam, don't panic. Whether you were contacted by phone, email, or text message, **there's lots you can do to limit any harm.**

Reporting suspicious messages

The message might be from a company you don't normally receive communications from, or someone you do not know. You may just have a hunch. If you are suspicious, you should report it. By doing so you'll be helping to protect many more people from being affected.

Email

If you have received an email which you're not quite sure about, forward it to the [Suspicious Email Reporting Service \(SERS\)](#) at report@phishing.gov.uk.

Text message

Suspicious text messages should be forwarded to 7726. This free-of-charge short code enables your provider to investigate the origin of the text and take action, if found to be malicious.

Spotting suspicious messages

Spotting scam messages and phone calls is becoming increasingly difficult. Many scams will even fool the experts. However, there are some tricks that criminals will use to try and get you to respond without thinking. Things to look out for are:

- Authority** - Is the message claiming to be from someone official? For example, your bank, doctor, a solicitor, or a government department. Criminals often pretend to be important people or organisations to trick you into doing what they want.
- Urgency** - Are you told you have a limited time to respond (such as 'within 24 hours' or 'immediately')? Criminals often threaten you with fines or other negative consequences.
- Emotion** - Does the message make you panic, fearful, hopeful or curious? Criminals often use threatening language, make false claims of support, or tease you into wanting to find out more.
- Scarcity** - Is the message offering something in short supply, like concert tickets, money or a cure for medical conditions? Fear of missing out on a good deal or opportunity can make you respond quickly.
- Current events** - Are you expecting to see a message like this? Criminals often exploit current news stories, big events or specific times of year (like tax reporting) to make their scam seem more relevant to you.

If it could be genuine

If you think a message or call might really be from an organisation you have an existing relationship with, like your bank, and you want to be sure:

- Go back to something you can trust.** Visit the official website, log in to your account, or phone their advertised phone number. Don't use the links or contact details in the message you have been sent or given over the phone.
- Check to see if the official source has already told you what they will *never* ask you.** For example, your bank may have told you that they will *never* ask for your password.

**If in doubt, don't reply. Bin it, delete it or
hang up**

INGHAM & DISTRICT BOWLS CLUB

Our The 2021 bowls season starts as far as league matches are concerned **on 1st June**. If we can get the green in good condition we will hope to have some roll-up events before then in May.

With much welcome help from five Welton bowlers we are working hard and expect to have the rink ready by mid May. We will advise on this later.

We were very pleased to find that four or five Welton members wish to join us following the closure of their club. They will be very welcome and will certainly boost our team.

If anyone else would be interested in joining us please contact me for details. Again they will be much welcomed.

[Ingham Parish Council Update](#)

This update is based following the last meeting of the Parish Council. You can find the most recent agreed minutes on the Parish Council website <https://ingham.parish.lincolnshire.gov.uk> and the Parish Council noticeboard.

Emergency legislation allowing virtual meetings for Parish Councils ended on 6th May 2021. The Parish Council can now only make decisions if they meet face to face. We are therefore working towards meeting face to face at Ingham and Cammeringham Village Hall for future meetings. All members of the public are welcome to join us. Clearly we will be complying with all the necessary precautions to make this safe.

Neighbourhood Plan: The Parish Council aim to hold public events toward the end of May, subject to COVID guidelines, where residents can review the report and express their preferences or objections to sites assessments in the AECOM document. This may be a combination of face to face events and online.

Recreation area project: Thank you to all residents who have returned the Recreation Area questionnaire. We really appreciate it! We are now in the process of analysing results so that we know what equipment to request quotes for. Ingham School have also conducted a survey with pupils in all year groups. We thank the school for their support. The next steps are to create a tender document and then invite quotations for works.

The Parish Council have now received a report on the condition of trees on the Green, Old Pond site and West End. We are now in the process of requesting quotations for the work which will require approval from the West Lindsey District Council tree offer prior to being undertaken due to trees being in the conservation area.

The transfer of ownership of the open space on Wessex Way is now complete and the Parish Council will now maintain this space. We continue to work with LCC Highways to improve car parking on the High Street and have suggested that part of the verge could be exchanged for parking space. We are awaiting a response about this suggestion.

The speed indicator device has been positioned at the Church Hill entry to the village for a few months now. In April, the sign recorded an average speed of 34.7mph with a highest speed of 60mph. Whilst many drivers are observing the speed limit there are clearly some who are travelling dangerously fast in a 30mph zone. Please observe the speed limit for the safety of other drivers and pedestrians.

The Annual Parish Meeting has been postponed until July following guidance from LALC who provide advice to Parish Councils. We will advertise this meeting closer to the occasion. We would love for you to join us.

RECTOR'S VILLAGE CHURCH SURGERY

The covid 19 lockdown is soon to end and Father Sebastian, Rector of Springline Parish along with his wife Alida, will restart visiting villages every Thursday. Given below are the dates for June:

3rd June: Burton **10th June: Burton Waters**
17th June: South Carlton **21st June: S Carlton**

The flexible programme of the surgery is as follows:

- 10.00 – 10.30 am: in church – Said Eucharist or Meeting
- 10.30 – 11.30 am: visits to people, *often pre-arranged*
- 11.30– 12.00 noon: 'walk-about' in the village, *to end in church*

Please feel free to meet your Vicar for a chat or a prayer.

If you have any queries do call him on 01522 731793
 or a member of the Ministry Team

or the Churchwardens of respective villages (See 'Springline Parish Local Contacts' page in the 'Village Venture')
 or The Springline PCC Secretary, Mr John Moore on 07974 076 056

Able Community Care is a Norfolk home care company which was established in 1980 and now provides care 24/7 throughout the UK and beyond.

We continually read news/articles flagging up the activities of Doorstep Criminals: fraudulent roofers, gardeners, service officials and other non-genuine visitors who target older people. Over the years we have also had first-hand evidence from our own clients and carers.

As a company we have decided to see if we can help prevent this on a small scale and so we have had the Door Safety Sticker (attached) to give away to older people. To date we have sent out 60,000 upon request, since February 2019.

If you think your older readers may like to have one, please ask them to either ring us on 01603 764567 or email to info@ablecommunitycare.com.

We will not keep their details other than to send out the door sticker to them.

Best wishes

Angela Gifford CEO.

It is Volunteers' Week 1-7th June and we cannot resist the opportunity to give a shout-out to celebrate the fantastic volunteers, past and present, who have worked with the school for the lasting, meaningful benefit to its children. Integral to the school's ethos is that it is 'at the heart of the community, with community at its heart' and we are always keen to foster the many overlaps between parents, staff, governors, the PTA and this amazing community.

One thing that lockdown has reminded us is that it takes a village to raise a child. The children, like many of us, have really missed out on social interactions with other adults during the last twelve months and we are keen to re-establish one-to-one support from volunteers to help plug gaps in learning

but also to offer the one-to-one attention and nurture that the children need.

We've been blessed with being able to welcome new families into the fold but we always have room for more! Over the Easter break, along with some amazing new playground equipment (pictured), we have had two new cabins built to provide well-ventilated additional learning spaces. This resource is not only a brilliant addition to our versatile premises but is key, right now, to the delicate balance of promoting mental wellbeing whilst protecting physical health.

We will be using most of our volunteers through the summer term to provide one-to-one reading, spelling practice, handwriting and number fact recall. If you are interested in volunteering, in whatever capacity, we would be thrilled to hear from you so we can talk you through the safety and safeguarding requirements. This will, of course, require DBS clearance at no cost to you but this is handled easily so don't let it put you off, do get in touch!

Growing plants in small spaces

Plants are what will really make your space fit for wildlife. Whatever the size of your space, there is always something you can grow to attract wildlife and provide yourself with a colourful display.

Good for wildlife

Plants provide food and shelter for all sorts of wildlife. Flowers attract bees and butterflies in spring and summer, while later in the year, seeds and fruits from plants may draw in birds.

Good for you

Flowers and other plants bring colour and fragrance to the smallest of spaces and can offer welcome shade in hot summer months. Tending to your plants can be a relaxing and enjoyable experience.

Grow plants in tubs, pots and planters

Generally, the bigger the container, the easier it is to grow the plants and to keep them happy and healthy. Lots of containers and vessels can be recycled into planters so be creative.

Perfect plants for small spaces

Here are our top five wildlife-friendly plant suggestions for creating a small space for nature in pots and containers:

- **Herbs** such as marjoram, thyme and sage. They're brilliant for bees, and the kitchen.
- **Trailing nasturtium** – easy to grow from seed, you can train it over the side of a balcony to give a display full of colour.
- **Crocus** – plant these bulbs in the autumn or a welcome burst of colour in spring.
- **Patio fruit tree** – you'll be rewarded with blossom in the spring, fruit in the summer and food and shelter for wildlife!

Tuesday, 4th May 2021 AGM
Held via Zoom – COVID restrictions.

In Attendance: Margaret O'Grady (Chair), Peter O'Grady (Vice-chair), Glenn Cargill (RFO), Dawn Greetham Cllr Roger Patterson and 9 further parishioners.

Apologies for absence: PCSO Julie McFaul

Notices of Interest: None

AGM

Appointment of Officers:

Appointment of Margaret O'Grady as chair, elected by the meeting unanimously.

Further appointments made by the meeting for Parish Representatives as follows, Dawn Greetham (Clerk), Peter O'Grady (Vice Chair), Glenn Cargill (Responsible Financial Officer).

Thanks were expressed to Vicky Cargill for her time as vice RFO, but due to changes in working arrangements with the RFO, the Vice RFO position is no longer required.

Alan Baldwin (engaged as Internal Auditor).

Declaration forms will be signed by Representatives outside the meeting owing to COVID representatives.

The updated Parish Risk Assessment and Asset Register documents were revised and circulated ahead of the meeting, and approved by the meeting.

Minutes of the last meeting (12th April 2021): A correction was made to the minutes, referencing LCC rather than WLDC, and the minutes were approved unanimously and signed.

Matters arising from the minutes not covered elsewhere in the meeting:

Village Hall windows – An e-mail has been sent to WLDC Planning to enquire whether there is any flexibility in the choice of colour, from white to a green/grey colour – awaiting response.

Reports:

Police: PCSO Julie reported that there was one call from the village to Lincolnshire Police, 26/04/21 – 20:30 Chainsaw stolen from a property on Willingham Road.

Finance:

Parish precept received, Petty Cash paid to Margaret for forthcoming year, invoice paid for admin photocopying, and allocation of operating budget passed to village hall.

Village Hall received the operating budget from the Parish and paid the contractor for the provision and installation of the windows. Invoices have been paid for EDF (utility bill).

Annual Governance & Accountability Return:

Internal Audit completed: Internal Audit carried out, and accounts found in good order, with minor findings presented. Thanks expressed to Alan Baldwin for his work.

The Governance Statement was presented at the meeting and approved for the financial year ending 31st March 2021.

The Accounting Statements were brought to the meeting and approved for the financial year ending 31st March 2021.

The appropriate AGAR documentation will now be sent to the External Auditor and published on the Parish Meeting website as required.

Village Hall report: The hall remains closed due to COVID-19 restrictions. Although it is to be used as a polling station on 7/05/21. A COVID risk assessment has been done. Playground – nothing to report. Border edging has rotted away at the raised bed at the back of the village hall and is in need of repair. Wall reported as damaged by the playground

Correspondence:

None brought to meeting.

Parish/District/county matters:

Cllr Roger Paterson provided an update on West Lindsay District Council matters, Council annual meeting held to elect councillors 5th May 2021. The WLDC are requesting ability to keep remote meetings after COVID legislation expires in May.

Trust Fund – change of land registry chased up with solicitors.

Broadband update: WLDC Broadband officer, contacted to follow up with Openreach.

FRESH from ALISON'S KITCHEN

Here we have a variation on a theme: tea & biscuits cheesecake bars. Preparation 45 minutes and cooking 5 minutes. The main time element is the chilling. The finished product is best left for about 4 hours and will serve 12-14. These cheesecake bars perfectly capture the idea of tea 'n' biscuits. You will need some cook's muslin

Ingredients:

- 10 Yorkshire tea bags – must be Yorkshire, nothing else will do
- 400ml double cream
- 500g mascarpone cheese
- 280g cream cheese (not low fat)
- 150g icing sugar
- 1 tsp vanilla extract
- 400g digestive biscuits , plus extra to serve
- 200g butter , melted
- 50g butter
- 100g light brown sugar

Cheesecake The Future

Method:

1 Cut open the tea bags and tip the contents into a jug. Pour over 100ml boiling water, brew for a few mins, then scrape this mixture into a muslin cloth and tie to create a giant tea bag. Pour 300ml double cream into a pan and add the muslin tea bag. Bring to a simmer, then immediately remove from the heat and put in the fridge to chill and infuse.

2 Meanwhile, make the base. Blitz the biscuits to crumbs, then pour in the melted butter and pulse again to combine. Tip into a lined 20 x 30cm brownie tin, preferably loose bottomed. Spread and press down firmly with the back of a spoon. Put in the fridge alongside the infusing cream.

3 To make the cheesecake, use an electric whisk to beat the cheeses, icing sugar, vanilla and a pinch of salt until thick and smooth. Remove the giant tea bag from the double cream, squeeze gently and discard. Pour 200ml into the cheesecake mix and whisk until just combined, reserving the remaining tea-infused cream for the biscuit sauce.

4 Whisk the remaining 100ml double cream (which has not been infused) until it holds soft peaks, then fold gently into the cheesecake mixture. Tip onto the top of the base, spread with a spatula and smooth the top. Return to the fridge to set for at least 4 hrs or overnight.

5 To make the sauce, melt the butter in a pan over a medium heat, cook, whisking constantly, for 2-3 mins until it's browning and smelling really nutty. Take off the heat, add the sugar and whisk, then add the remaining 100ml infused cream and a big pinch of salt and cook for 2 mins. This is best served warm, so if you're making it ahead, leave to cool then reheat with a splash more cream.

6 To serve, drizzle over the warm sauce, and top with some crushed biscuits. Use a warmed knife to slice into 12 bars. Now this is THE FUTURE.

Next time: garlic bread perhaps?

SCAMPTON PARISH COUNCIL

At the meeting of the Parish Council held via Zoom on 06.05.21 the following matters were considered:

PCSO Julie McFaul submitted the following report for the last four weeks:

6 reports made to the police and 3 of these are not for the public's interest,
25/04/21 - ASB – group of teenagers swimming in the reservoir - ASB letters to all the addresses.

07/04/21 – Cannabis warning given to two people at the view point

07/04/21 – Vehicle seized from Scampton estate – No Insurance

Officers- Cllr Roger Patterson was voted Chairman for the coming year and Cllr Sneath was elected Vice-Chairman.

The Minutes of the Parish Council Meeting held on 1st April 2021 were proposed by Cllr Patterson, seconded by Cllr Somerfield and agreed unanimously. They would be signed by the Chairman in due course.

Open Session – Steve Ulyat reported that he had completed the topcoat on three lamp posts and the one near the school was ready for the top coat. The bus shelter near the church needs a preservative coating and the Millennium bus stop needs cleaning and some ash trees removing from the paving. We would set up a working party to do this.

Co-option of a new Parish Councillor – There had only been one application of the post of Parish Councillor, Melanie Newman. Cllr Sneath proposed that she be co-opted to the Parish Council. This was seconded by Cllr Patterson and agreed unanimously. Cllr Newman was welcome to the Council and we look forward to working with her.

Speed Awareness – Cllr Sneath reported signs, high vis jackets and the speed gun had all been ordered. The trainer would carry out the training after 17th May and when he had had his second Covid jab. He would do two sessions, 10.00 – 12.00 and 12.00 – 2.00 on an agreed date for up to six operatives at a time.

Community Awards – The Clerk had not received any applications for the awards but Cllr Patterson had received some. Nominations were open until the end of May.

Litter Picks – A litter pick had been held at RAF Scampton on the 25th April, with about 7-8 families involved. They collected 15 bags of rubbish. A girl from Aisthorpe is doing a litter pick there for her D of E award. One would be arranged in the village.

Closure of RAF Scampton – Cllr Patterson had attended a meeting this week with WLDC, who had a policy ready to go with regard to the wishes of the community once it is known what the Red Arrow's needs are. DIO have started to do an assessment of what will be needed. The local plan, which is due for review during the summer, will include heritage protection. Concerns were expressed that Community Liaison should be done through the Parish Council not WLDC.

The Parish Council agreed that at the moment the sub-committee would be a closed meeting, as they were at the information gathering stage and had nothing concrete to report. They were going to be taking photos of the green spaces, which it was hoped we could preserve. Nettleham had reported having problems with maintenance having planted many trees under the Woodland Trust Scheme (more would be found out). We would also contact the council in Sussex, where they had successfully negotiated the closure of an RAF base, to see if they had any advice to offer us.

Footpath – There were no known updates but Cllr Sneath would find out if there had been any developments and have a look at the path.

Community Conversation – It was confirmed that the idea was for Gusto Homes to set up a Zoom account for the Community Conversation for the PC to take over. They were looking for longevity and sustainability. We are a much smaller community than Collingham, where it had been a great success. Cllr Baggott would send the link for the Community Conversation's Facebook page for Councillors to see if they wished to continue.

District Councillor's report – Cllr Patterson stated that WLDC had held their Annual Meeting this week but they had literally just voted for a Chairman and Vice Chairman. In June they would be discussing changes to the Planning Policy.

(Continued on Page 38)

(Continued from Page 34)

Great British Spring Clean, Saturday 5th June proposed dependent upon COVID conditions.

GC (RFO) proposed that we review the budget plan, budget to include additional items that we have encountered in recent years to make sure everything is covered and can be properly maintained. Proposals / costs to be forwarded to the Parish by the end of August.

Question raised re whether there may be any money available to the village following recent housing developments, e.g. Section 106 money, GC to follow-up.

It was raised that the footpath on the High Street has not yet been cleared. Margaret to contact the farm.

St Andrew's Church Fillingham, it was brought to the meeting that a valued church warden is moving from the village having been the treasurer and church warden for many years, the Church is looking for volunteers to take up roles of treasurer or church warden. There are proposals to make changes to become a "festival church", which would require c £1000 per year to maintain this status, in addition to running costs and insurance.

Any other business:

Possible summer fete / future events; will be considered in the coming months dependent upon the how the pandemic develops as lockdown eases.

Date of next meeting: Monday 7th June 2021- 7.30pm. At present this will not be a remote meeting as the legislation permitting remote meetings expires, a physical meeting will be dependent on COVID conditions.

(Continued form Page 37)

Finance

It was noted that the following payments had been made:

Haven Power (March)	£74.56
LALC	£27.00

The insurance was due for renewal and it was proposed by Cllr Bulteel, seconded by Cllr Sneath that the sum of £400.22 be paid. It was agreed unanimously that this be done.

The Clerk then presented the audited accounts for the year 01.04.2020 to 31.03.2021 and the AGAR was approved unanimously.

The Annual Governance Statement was completed and approved unanimously.

The Annual Accounting Statement was examined and approved unanimously.

Cllr Patterson on behalf of the Parish Council expressed a sincere thank you to Barbara (clerk) for all her hard work with the accounts over the past year and keeping everything up to date during the pandemic.

Planning –

142529 13.04.21 Copperfield, High Street Scampton – Replacement of one dwelling and one new dwelling. No Observation.

Next Meeting - As from 7th May it is no longer legal to hold Pariah Council meetings via Zoom, and in June we are still not able to meet up in doors the decision has been taken not to hold a meeting in June. Therefore the next meeting will be on Thursday 1st July 2021 at 6.45pm in the BSA Hall, Aisthorpe, followed by the Annual Parish Meeting at 7.30pm

Being no further business the meeting closed at 20.51

The full Minutes will be posted on the Scampton Parish Council website <https://scampton.parish.lincolnshire.gov.uk> after their approval at the next meeting, which is scheduled for Thursday 1st July.

FORTHCOMING ENGAGEMENTS

Due to COVID19 Pandemic these engagements are temporarily postponed.

We are looking forward to when we can resume our surgeries and start having face to face contact with our community members.

LOCAL PRIORITY

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. Our priority(s) for the next quarter is:

1. COVID 19 pandemic breaches
2. SPEEDING – proactive speed checks

WHAT'S BEEN HAPPENING

SPEEDING – we will be conducting speed checks in hot spot areas to reduce the amount of speeding vehicles on our roads.

ASB – since the ease in lockdown rules we have seen an increase in groups of children and young adults congregating at hot spot locations. We have increased patrols in these areas and addressing issues such as alcohol drinking, noise, littering and COVID breaches.

SWIMMING – we have had recent incidents within the last few months where teenagers are swimming in irrigation ponds, fishing ponds and building site ponds. We cannot stress how dangerous this is. The ponds are often in isolated locations and have unknown bacteria and foreign objects which could cause illness or snagging. Please speak to your young family members about the dangers to prevent any serious injury or death.

COVID RESTRICTIONS – please remember we are still following guidelines for Step 2 Regulations until 17th May where new restrictions will be in place.

All Welcome!

LETTER FROM THE PARISH PRIEST

Looking forward with hope to a post covid-19 Summer!

Dear Friends,

Hopefully you are all well in spite of the cold spell that we had most of April and in early May, about when I am writing this letter. But the sun has not let us down and I am seeing and listening to life throbbing outside. I see the blue skies, the clouds, the birds whizzing past or chirping on the branches of the damson and cherry trees. Flowers and green leaves and life bursting all around! Definitely Spring has matured! And I bow down my heads in adoration and in thanksgiving.

There is also hope in the horizon as we are emerging from the covid 19 restrictions. The vaccination drive has been key to this. But we are told to be careful. And I think that's a warning we ought to heed. But at least there is hope for our Summer holiday plans! Can't believe the long drawn-out year is seemingly coming to an end and we are thinking of more normal times.

The Parish Service at Brattleby on 27th June will be special for two reasons. One, because we are holding the first service there after the plaster and decoration works. It's lovely to see the church in its pristine, ancient splendour. Second, that service on 27th will be poignant as we will also formally reopen all our churches for worship! Fingers crossed!

Life events (baptisms, weddings and funerals) are returning to churches although it's going to be awhile before we can call it normal again. During the lockdown, the church buildings stayed like sentinels and places of refuge and comfort for people to drop in, reflect or to pray. They have offered succour and safety for people for hundreds of years. The churchyards too lovingly tended are sacred spaces in our villages.

In all the changes around us, culturally and socially, there is the "the still point of the turning world" who "reconciles all things" and "in him we live and move and have our being". Seasons come and seasons go but we can always count on him for He is "Light, and in Him there is no darkness at all." He says, "'Come to me, all you who are weary and heavy-burdened, and I will give you rest.'" His name is Jesus Christ. The True Answer to our life equations!

Take care and keep safe and may this Summer be pleasant and warm! Let us relish the lifting of restrictions and hope to live normal lives again! Do visit the Springline website <https://springlineparish.co.uk> for all information about Church Services, Life Events etc. The Church is not perfect, and none of us are, but it is there for you and you only!

Your friend,

Fr Sebastian (Rector, Springline Parish, Diocese of Lincoln)

Thankyou to our Volunteers

In National Volunteers Week we wish to recognise all the support, time and effort made in support of the Springline Good Neighbours Scheme. Last year we helped out on a record 511 occasions. Whether its being on telephone duty, collecting prescriptions, taking people for medical appointments or calling on the elderly during lockdown – we are so grateful. Our volunteers make this possible.

If you need any help or need more information please call us on 01522 412199 or visit www.springlinegns.org.uk and leave a message so we can make contact with you.

Add a nest box or bee home

nest box designs attract different birds. For tits or sparrows, choose a box with a 32mm diameter entrance hole, 15cm from the bottom of the box. Nest boxes for starlings have a 45mm hole, while open-fronted boxes can provide homes for pied wag-tails and robins. • Avoid nest boxes with a perch as this can be used by predators to

reach the eggs or chicks. • Secure the nest box about 2m from the ground, facing between north and east to avoid the box getting too hot or wet. Place the box in a quiet spot that cats cannot reach. • Every autumn (September onwards) dispose of any contents and rinse the box with a dilute solution of disinfectant in warm water. • Bee homes are best placed in a warm sunny place and located
