A Note from your Editor

Hello

A very warm welcome back to the September issue of the Village Venture! Hope you had a good summer break and like me you are hoping for a taste of an "Indian Summer" before the end of the year.

Your Village Venture is crammed with all manner of news and events since the summer double issue and I am sure you will all find something of interest in this 52 page issue!

Gill Stonham would also like to offer "A huge thank you to everyone who bought a copy of the Little Lives Big Journeys Courgette Recipe Book. We made a little over £350.00 for the charity." Well done everyone!!

If someone you know is outside the distribution area of the VV and would like to see a copy, point them in the direction of these three websites.

2020 Mimo Moutinho Vinho Verde Rosé

Here is a delightfully dry Portuguese rosé, with just 11.5% alcohol, that is perfect for summertime drinking. With a restrained Vinho Verde tingle, it provides with bright cherry and red apple flavours that are nicely counterbalanced by tangerine acidity, but which actually contain deceptive depth for such gentle wine.

2020 Tesco Beaujolais

Much has changed from the unimpressive Beaujolais of yesteryear and this brilliantly priced example is a great Indian Summer red for days when weighty versions are too muscular. Juicy yet with depth, it delivers floral cherry and red plum flavours enlivened by good acidity with hints of chocolate and spice.

From The PCC Secretary

I cannot believe we are approaching September and really wonder where the year has gone as already Christmas is looming on the horizon.

We are slowly returning to a normal church life, with our new pattern of services which include retaining an online Zoom service on the second Sunday of the month and we will be returning to our traditional Harvest Services in October.

It is very pleasing to also see that social events are returning to our everyday life. The Springline Choir have agreed to perform one of their wonderful evening concerts on Friday 1st October in the newly re-decorated Brattleby Church and I hope you will be able to support this event.

Please continue to be vigilant and if you need any help or assistance please contact Fr Sebastian or myself.

Kind Regards

John Moore

Secretary to The Springline Parish PCC

News from Glentworth Parish Council

Glentworth Parish Council has met a couple of times since the last update and some of the projects that we've been working on have made progress since then.

Play park - we have now selected some new play equipment to replace the existing and are starting to look for the funding to make this happen. The supplier, Lars UK, have been really helpful and have made a range of new equipment at a really good price, but we will still need to make some funding applications for about £25,000 to raise the balance of the money we need. There will be some pictures of the new play area equipment on display in the Village Hall shortly and we'll keep you up to date with how the funding applications are going.

Northlands Road Track - I am sure residents in the village have noticed the changes that have been made to the track in front of Glentworth Hall. Thanks to Glentworth Scottish Farms we have seen some new surfacing material put down and the troughs at either end have stopped the problem of vehicles using this footpath as a shortcut through the village.

Pocket Park - we're in touch with the Wildlife Trust to get their advice on work to the pocket park, clearing out the pond and generally tidying the area up. We're also thinking about creating some wildflower areas in and around the village, to encourage bees and other insects and also to bring some colour to verges, etc.

In addition to these projects, the Parish Council is still trying to get the footpath to Harpswell re-opened, is monitoring the reports from the speed indicator on Hannover Hill and exploring options to bring better Broadband to Glentworth.

Future plans - there has been some discussion about the Parish Council buying some additional benches to be put around the village. We will be canvassing for ideas about where these would be most useful, so watch out for this in the coming weeks.

Hall Happenings

We're delighted to welcome scarecrows back to the village on September 11th for the GREAT GLENTWORTH SCARECROW FESTIVAL. This year's theme is "Books and their Characters" so come along and see if you can tell your Gruffalo from your Mr Darcy.

September also marks the return of more activities to the Village Hall - Paige Pritchard's Dance School, Pilates and Short Mat Bowls. Anyone interested in giving bowls a try can do so for free at one of their weekly sessions. Also, we have just bought some new badminton rackets, if you fancy hiring the Hall for a game or two - contact the Village Hall on 07966 153878 for more details.

We're back !

Ingham Parish Council Update

This update is based on decisions and updates at the last meeting of the Parish Council on 5th July. You can find the most recent agreed minutes on the Parish Council website <https://ingham.pariah.lincolnshire.gov.uk> and the Parish Council noticeboard.

The Parish Council have received the resignation of Councillor Buck. Councillors thank him for his hard work and dedication to the role as Councillor and prior to this, Village Caretaker. As a result, there is a vacancy for a Councillor on the Parish Council. The District Council have been notified and a formal vacancy notice has been displayed on the Parish Council website and noticeboards in the village. There were no applicants and therefore the Parish Council will now seek to co-opt a Councillor. A parishioner must fulfil one of the following criteria to qualify:

- Registered as a local government elector for the Parish on the current Electoral Register
- Has during the whole of the previous 12 months occupied as tenant or owner of any land or other premises in the Parish.
- His/her principal or only place of work in the previous 12 months has been in the Parish
- Has resided either in the Parish or within 4.8 kilometres (3 miles) thereof during the previous 12 months

The speed sign settings have been adjusted recently so a 'SLOW DOWN' message should only display if a vehicle is travelling over 30mph. The sign has been at the bottom of Church Hill and continues to record some very high speeds at times, such as 64mph in June. The average speed has decreased slightly from 34.19 mph in April to 33.4mph recently. The sign has now been re-positioned to Lincoln Road for the summer period. Parishioners are asked to adhere to the speed limits in and around the village to protect others and yourselves.

Recreation area project: The draft tender document was discussed and approved by the Parish Council. The formal tender process has now started with the tender advertised on the Contracts Finder database. Responses have been requested from providers by 11th September 2021. The Parish Council have earmarked c. £18k of reserves to be used for the project with a sizeable remainder required from other funding sources.

The operational safety of the play equipment in the play park is reviewed regularly by the Clerk and there are no current operational concerns. Wicksteed have completed the annual risk assessment of the equipment too and found no significant faults. The defibrillators at the Village Hall and Ingham Practice are both 'emergency ready'.

Financial matters: The Parish Council approved payments to Hilltop Tree Services for removing a diseased tree from the playing field at short notice; payments to Green Grass Contracting for grass cuts between April and May and reimbursement to the Village Caretaker for repairs to the small climbing frame in the play park.

LCC Highways matters: Changes to the speed restriction at the Crossways junction are awaited along with improved signage. Works to cut back the hedge and trees on Grange Lane adjacent to Grange Close have been scheduled. Footpath markings have been requested outside of 16 High Street. A proposal for improved parking arrangements close to the junction of High Street and Lincoln Road has also been made to LCC Highways.

Neighbourhood Plan: The Parish Council aim to hold public events to receive resident's feedback about the sites' assessments for Ingham as soon as possible. A grant has successfully been offered by Locality to cover the costs of the plan this year.

The Parish Council have been invited to consult on the revised Central Lincolnshire Local

The Parish Council were approached by Springline to request the use of the seat next to the Parish Council noticeboard on The Green as a 'chat bench'. This was approved and a sign will be erected in due course.

Finally, the flag pole on The Green is owned by the Parish Council and has been ably managed by Mr Woolley for many years. However, Mr Woolley would like to hand this over at the end of the year so we need a willing volunteer to take on responsibility for raising and lowering the flags at appropriate times of the year. Please let the Clerk know if you would like to take this on.

**Everyone
is welcome**

Welcome back to all of our returning school families and an extra special welcome to our new ones. We cannot wait to get back to doing what we do best, educating children. We are blessed with our stunning building and the restorative views of our gorgeous village green. We've been here through thick and thin

since 1878. Despite the lack of cars back then, we are blessed among primary schools in that we have really good vehicular access in the village, making for a peaceful school-run for parents and carers. We're easy to approach, both in terms of getting to know us and geographically, from the surrounding villages, Lincoln and Gainsborough.

We always love welcoming new members to our school family and know they'll feel right at home here. If your child was born between 1st September 2017 and 31st August 2018, it will soon be time to apply for their place in Reception for next September. We know it might feel a bit worrying, but we can assure you we'll do our utmost to ensure you and your child feel part of the family and safe. We have a Prospective Parents page which can be found on our website. Do give us a shout if we can answer any of your questions.

We are at the heart of the community, with community at its heart.

Able Community Care is a Norfolk home care company which was established in 1980 and now provides care 24/7 throughout the UK and beyond.

We continually read news/articles flagging up the activities of Doorstep Criminals: fraudulent roofers, gardeners, service officials and other non-genuine visitors who target older people. Over the years we have also had first-hand evidence from our own clients and carers.

As a company we have decided to see if we can help prevent this on a small scale and so we have had the Door Safety Sticker (attached) to give away to older people. To date we have sent out 60,000 upon request, since February 2019.

If you think your older readers may like to have one, please ask them to either ring us on 01603 764567 or email to info@ablecommunitycare.com.

We will not keep their details other than to send out the door sticker to them.

Best wishes

Angela Gifford CEO.

RAF Scampton Commemorative Stained Glass Window

Scampton Church has been the church of RAF Scampton since 1916 when the station was a Royal Flying Corps station (later becoming RAF Scampton in 1918).

The Ministry of Defence has announced that it intends to decommission the RAF station on the 31st December 2022.

A project to commission a stunning RAF stained glass window at Scampton Church to mark our 100 years' historical relationship with RAF Scampton (1918 - 2018) is now complete. The window contains 380 pieces of hand painted glass, and has taken 2 years to complete. It is intended that the window will create a lasting memory to all who served at the station, both in peacetime, during the two world

wars and the cold war.

The window has been designed and created by Claire Williamson, a specialist in traditional and modern stained glasswork, following consultations with RAF Scampton and the local community. The design is contemporary; with the RAF Scampton badge forming a central part of the design, alongside the

winged RAF badge (*Per Ardua Ad Astra*) which sits proudly on the 107 Commonwealth War and Service Graves in the churchyard. The design also includes representations of three of the iconic aircraft which have flown from the station: the Avro Lancaster, Avro Vulcan and the Red Arrows Hawk Jets in a diamond nine formation; all depicted flying over the airfield at RAF Scampton.

The inscription on the window was chosen by Wing Commander James Parker who was the officer commanding at RAF Scampton at the design stage, and reads:

"To commemorate those who served in squadrons based at RAF Scampton 1918 - 2018"

The window is crowned, in a rose window, by a dove carrying an olive branch, signifying the hope that the peace of Christ, which calls each of us to live out every day, will put an end to war.

The window also conveys other subtle messages:

The RAF badge is surmounted by the King's crown which mirrors the RAF badges on the war graves in the churchyard.

There are no markings on the Lancaster and Vulcan in order that they represent all Lancaster and Vulcan crews who flew from Scampton.

The tracers from the Red Arrows join both windows together.

The thicker lead line around the Vulcan represents the kink in the A15 around the end of the runway.

Also included in the initiative is an associated remembrance, arts, and history project which will take place in Scampton's two local primary schools this summer. This project is being run by Claire Williamson, The Battle of Britain Memorial Flight, The Lincolnshire Lancaster Association, RAF Scampton Heritage Centre and Scampton Church. As well as glass tile making skills, it will also teach 200 children the

of the station and of the sacrifices given to ensure they live in a free and democratic country.

There are still a number of panes available for sponsorship. Each sponsor is invited to send a dedication which will be entered into the leather bound commemorative book, which sits on the oak lectern beneath the window. The book will be available for viewing for generations to come.

Should you wish to sponsor a pane of glass and write a dedication, please contact: rafwindow@scamptonchurch.org

For more information about the window project visit: www.scamptonchurch.org/raf-stained-glass-window

INGHAM BONFIRE & FIREWORKS NIGHT

BONFIRE MATERIAL COLLECTION

Collection for Bonfire materials will take place on Sunday 31st October 2021 from 10am onwards. Please contact us by 17th October to arrange collection.

We are NOT able to collect any materials that we consider to be unsuitable for burning – such as tyres, foam, plastics, rubber, carpets, green garden waste etc. Please note, we will not be able to collect everyone's waste due to the size of the bonfire so please don't be offended if we say no.

If you have any items you think we could use for the bonfire, please contact Anne Nadin on 01522 738259 (evenings only) or email inghambonfirenight@outlook.com

A donation to funds is required for us collecting this material

Please note due to Health and Safety reasons no materials can be taken down to the bonfire site by members of the public. We apologise for any inconvenience this may cause. Please use the collection service provided

we need your help.....

Are you able to volunteer on the night to help support this event? This could be inside with the food hall or outside making sure everyone is safe.

If you are able to help, please contact Anne Nadin on 01522 738259 after 6pm or by email on inghambonfirenight@outlook.com as soon as possible.

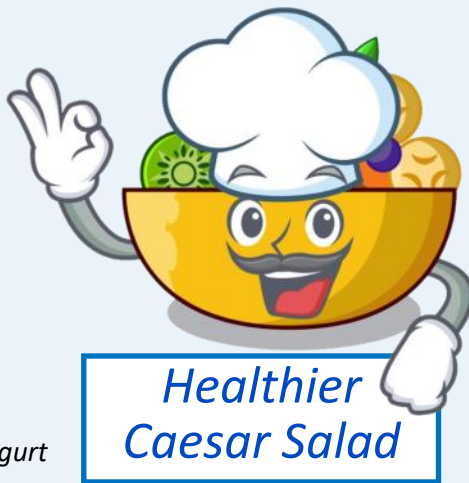

Please feel free to share this event with family and friends

FRESH from ALISON'S KITCHEN

Here's a suitable dish to have towards the end of the summer. In Alison's kitchen we have tweaked this old favourite by making a tasty yet creamy dressing out of roasting garlic and blending with fat-free yogurt. This variation on a theme, inspired by the British Heart Foundation, has a fraction of the fat of a traditional Caesar dressing.

Ingredients:

- 2 chicken breasts
- ½ tsp cumin seeds
- ½ tsp smoked paprika
- 200g tomatoes, halved
- 4 cloves garlic, peeled
- 3 sprigs fresh thyme
- 50g (2oz) slice ciabatta bread or any other rustic loaf
- 1 tsp rapeseed oil
- 1 small head cos lettuce, thickly shredded
- 3 tbsp fat-free Greek style natural yogurt
- Freshly ground black pepper

Method:

1. Preheat the oven to 200oC/180o fan/Gas 6. Line a baking tray with non-stick baking parchment. Mix together the cumin and paprika and rub over both sides of the chicken breasts. Place onto one side of the baking tray.
2. Add the tomato halves to the other side of the tray cut side up, add the garlic cloves between the tomatoes and lay the thyme sprigs on top. Cook for 25 minutes.
3. Brush both sides of the bread with the oil, then cut into cubes. Add to the oven for the last 10 minutes of cooking time.
4. Carefully lift the chicken onto a board and slice on the diagonal. Pile into a serving bowl. Add the tomatoes to the chicken.
5. Place the cooked garlic into a small blender, add the yoghurt and any cooking juices from the tomatoes and blitz to a smooth dressing. Season with black pepper.
6. Add the lettuce to the chicken and tomatoes and toss well. Drizzle with the dressing and scatter with croutons.

We often try BHF recipes, having a personal interest in the organisation. Regular suggestions appear in their publication, Heart Matters, which comes out several times a year. Please support if you can.

SCAMPTON PARISH COUNCIL

The Annual Parish Meeting was held on the 22nd July 2021.

The Chairman, Cllr Roger Patterson gave the following report:

Scampton Parish Council has had, despite the pandemic and lockdown a pivotal year. We now have a full contingent of Councillors representing all parts of our community. Our main focus continues to be speeding and the closure of RAF Scampton by December 2022. We have invested in the Community Speed Watch scheme in partnership with Brattleby Parish Council under the leadership of Councillor Chris Sneath. This should be going live in the very near future. We have been astonished by the wonderful community spirit during lockdown and that's why we have initiated our Community Awards, which we hope will continue annually. We have also supported the fundraising efforts at Scampton Church by becoming community partners with the church, schools, pub, War Graves Commission and RAF Scampton as they continue to raise funds for community facilities.

Some of the attendees and Councillors at the meeting

We applaud and salute all of those who made the RAF Commemorative Window possible. We also have a new website and Facebook page and my thanks go to Katy and Barbara for the work they did in getting them up and running. In the coming year our main focus is the closure of RAF Scampton and the Parish Council is committed to getting the best outcome for all residents and the preservation of its historical assets.

Community Awards –

Members of the Community in Scampton had done amazing things during lockdown and throughout the past year. Putting themselves out to make the lives of others easier.

Awards were given to:

Steve Ulyat

Terry Fletcher

**Dave Staddon****Simon Newman****Siân Gaunt**

An award was also given to Joe Bartrop, who was unable to be present. It will be awarded at a later date.

The full Minutes of both the Annual Meeting and the Parish Council meeting of 22.07.21 will be posted on the Scampton Parish Council website <https://scampton.parish.lincolnshire.gov.uk> after their approval at the next meeting, which is scheduled for Thursday 2nd September at the BSA Hall, Aisthorpe at 7.30pm.

LETTER FROM THE PARISH PRIEST***The waning days of Summer!***

“Hail, gentle Summer to this isle!
Where Nature’s fairest beauties smile,
And breathe in every plain;
'Tis thine to bid each flower display,
And open to the eye of day
The glories of its reign.”

So begins the poem “Ode to Summer” by Francis Fawkes. Summer has been, and is, so special. The nature is in full bloom and all vegetation maturing by the day. I hope you have been having a lovely Summer. We need a bit of the Summer heat we have been absorbing to face the colder months that will arrive later in the year!

My wife and I were in Italy in July where the days were swelteringly hot. So, the gentle English Summer has been a pleasant change! Hope you can continue to take time to relax and replenish your energies during these waning days of our English Summer.

Autumn is almost upon us. We are hoping, in Autumn, to run a course on Christianity (using Alpha Course resources) in one or two small groups of 7 or 8 people. If there are takers, the course will happen once a week from October and will continue for the whole of Autumn. On a tempting note, each session will start with a tasty, informal dinner and the smallness of the groups are intended to make it homely, informal and friendly. If you wish to know more about it, please call me or use the link: [Contact - Springline Parish](#)

Schools are opening and all activities are re-starting. Whether you are a Christian or not the words of T.S.Eliot, considered one of 20th century’s major poets, have something to tell us in his words, “Christ is the still point of the turning world.” The world needs a fulcrum point, a compass, a point of reference, and some might like to say a space for exclusive spiritual intimacy. Jesus Christ, the ‘way’, the ‘truth’, the ‘life’ could be for you that point of quiet and stillness where answers are found, healings take place.

I wish you, your families, dear ones, your children, grandchildren or great grandchildren and friends every blessing and every grace as you continue to take care of each other and be responsible as the pandemic is still with us. If there is anything we can do, please do not hesitate to call or contact us (see contact link above).

Your friend,
Fr Sebastian (Rector, Springline Parish, Diocese of Lincoln)

Craft and Farmers Market

On the 31st July, Ingham saw its first **Craft and Farmers Market**. This was spread out both inside and out of the Village Hall with 21 stalls in attendance from knitted items to cakes, handmade cards to plants and flowers, we had an array of everything. People arrived throughout the day, treating themselves to a drink and slice of cake provided by the Friends of

Ingham School as well as browsing the many stalls for that something special and catching up with friends.

Our next event takes place on the 4th September from 10am till 3pm and is already full with about 26 stalls attending. We

then have events on the 9th October and the 27th November. All of our events this year are now fully booked with lots of different stalls attending.

We are planning on making the Christmas event on the 27th November extras special with some fair ground rides, singing and maybe a visit from a special man in a red suit. Please find our page on Facebook 'Ingham craft and farmers markets' for more information.

Hope to see you all soon. Regards, Anne Nadin - Event Organiser.

FORTHCOMING ENGAGEMENTS

Due to COVID19 Pandemic these engagements are temporarily postponed.

We are getting more information about provisional dates for up and coming events, which means we can potentially hold surgeries soon; what this space for surgery dates coming soon. 😊

LOCAL PRIORITY

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months.

Our priority(s) for the next quarter is:

1. COVID 19 pandemic breaches
2. SPEEDING – proactive speed checks
3. DOGS – control and welfare

WHAT'S BEEN HAPPENING

SPEEDING – we will be conducting speed checks in hot spot areas to reduce the amount of speeding vehicles on our roads.

ASB – although ASB has much reduced the summer holiday period is almost upon us so patrols will continue to minimise the ASB that tends to occur during the summer months.

GOODNEWS – most people have been taking our advice on board as we have not been having any issues this month either with COVID breaches or crimes in your area. We would like to thank everyone for their co-operation through this National pandemic, everyone appears to be accepting this new 'normal' way of lifestyle.
