A Note from your Editor

Hello

Is it me or does it only seem a short while since we were in September? Well your October issue is once again packed full of a wide variety of events starting off with our cover picture showing how competitive the egg and spoon race was at the Fillingham "Picnic in the Park" event, all the details and even more of the photos starting on page 42! For even more evidence of how an event can help bring a community together go to page 46 to see the creative, inspiring and occasionally funny ideas from the Glentworth Scarecrow Competition this year. Do keep a look out for all the future events taking place in your villages this month - how lucky we all are to live where we do!

If someone you know is outside the distribution area of the VV and would like to see a copy, point them in the direction of these three websites.

2020 Winemaker's Selection, Western Cape Sauvignon Blanc

If the predicted shortage of New Zealand sauvignon blanc materialises, remember that this South African option closely resembles those Marlborough versions we enjoy so much. Perfumed and intense, it exhibits herbal apple, apricot and ripe melon flavours with sherbet infused texture and sufficient citrus bite to add firm acidity.

2020 LFE Bin Series Merlot

With much inexpensive merlot currently light in both colour and texture, this dark and substantial version from one of Chile's major players is very welcome. The wine itself is vibrant and nutty with rich cherry and raspberry flavours, good acidity, background mint and aniseed influences but only minimal tannin.

INGHAM & DISTRICT BOWLS CLUB

The bowls league season has now finished. We looked in March/April time to be short of players to play our league matches. However, Welton Bowls Club closed last year and five or six of their remaining members have joined us this year and have proved to be a great asset, both playing and working on the green. We were therefore able to play all our matches and expect to do so next year also.

We are holding our **Annual General Meeting in Ingham Village Hall at 7pm on Thursday 28th October** this year and hope all members will attend. Anybody interested in playing bowls will be very welcome to attend as well.

If any potential new members wish to learn more about the club, don't hesitate to speak to the Club Secretary as below.

Alan Hassard, Club Secretary, 25 Grange Lane,
Ingham, Lincoln LN1 2YD
Tel: 01522 730331

We're delighted to be back in school for a new academic year and looking forward to enjoying lots of activities that we didn't manage to do during the pandemic. One of these is our Year 5 and 6 Residential Visit to Castleton with our Friends at Ingham School. It's a great way to start the year, developing bonds between each other, especially when moving into a new class. On this trip, children took on the role of 'Special Agents' and cracked codes, overcame challenges and solved problems to recover a stolen diamond. Being at primary school is full of adventures. The skills we develop are wide and varied but prepare children for a future full of unknowns.

We have a new group of Reception pupils who have settled in very well to the school. We're excited and privileged to be able to watch their progress for the next seven years. On

their first day in school, we planted an apple tree. As we do for one another, we'll nurture it, support it to help it flourish to become big, strong and healthy. Hopefully, there will be a photo to share in seven years' time with these children and the same tree.

From The PCC Secretary

During October we will be holding our traditional Harvest Services in a number of our churches and also will be looking ahead and planning our Christmas Services.

Following the recently well attended meeting with the Rural Dean ,Richard Crossland regarding the Resourcing Sustainable Church initiative the future role of each of our village churches is being seriously considered by the PCC and although some of our churches may be designated as Festival Churches with occasional services there are no plans to close any of our churches.

If you require any help or assistance please contact Fr Sebastian or myself

Kind Regards

News from Glentworth Parish Council

At our last meeting (8th Sept), Glentworth Parish Council talked about a number of current and potential future projects for the Village.

New public seating

A number of residents have suggested that we should look to provide some additional seating for the village, so the PC has started to look at both the types of seating that could be provided but, more importantly, where any additional seats should be placed. The PC discussed some possible locations, which are listed below, but we are also keen to hear from Glentworth residents about where they would like new seats to go?

The ideas that have been suggested so far are:

- On Northlands Road track
- Near the birdfeeder next to the lake
- Elizabeth Close green area
- On Northlands Road
- At the top of Hanover Hill (next to the bus stop)
- In the churchyard

If Glentworth residents would like to make a suggestion about new seating, can they email these to the Parish Clerk (glentworthpcclerk@hotmail.co.uk) or pop a note in the PC post-box at the Village Hall.

New play equipment

On the subject of the Village Hall, the PC have now finalised the proposal for the new play equipment at the Village Hall and have started the fundraising bids. We do need to raise a fair bit of money for this, about £25,000, so will be making a number of bids in the coming weeks. A picture of the new equipment is on display in the Village Hall, so if you're visiting then take a look.

Other projects under discussion include creating some wildflower areas around the village, possibly linked to any new seating we buy. Planting wildflowers is a great way for us to encourage butterflies, bees and other insects that will help the environment as well as adding some colour to verges, and other open areas. We're discussing the detail of this with the Lincs Wildlife Trust and others to make sure we get the right advice.

If you want to know more about the work of the Parish Council, look at the Agendas and Minutes of our meetings, including comments on Planning Applications, then this and more information can be found at: <https://glentworth.parish.lincolnshire.gov.uk/>

Ingham Parish Council Update

This update is based on decisions and updates at the last meeting of the Parish Council on 13h September. You can find the most recent agreed minutes on the Parish Council website <https://ingham.parish.lincolnshire.gov.uk> and the Parish Council noticeboard.

The Parish Council have filled the Councillor vacancy by co-option with Sue Jacklin. We welcome her to our group and look forward to her contributions to the community. The external audit by PKF Littlejohn LLP has concluded and they have found no matters of concern with the Parish Council accounts and practices. A conclusion notice is displayed on the Parish Council noticeboard and on the website.

The speed sign has now been re-positioned to Lincoln Road and the average speed in August/ September was 27.7mph. Thank you to all of you who are adhering to the speed limit in the village.

Recreation area project: Tender responses have been received from interested suppliers and these were opened in closed session at the Parish Council meeting in September. The content of the responses look very exciting and a preferred supplier will now be selected based on quality, cost and whether they have met the brief that came from the surveys with the village and school pupils.

Financial matters: The Parish Council approved payments to Green Grass Contracting for grass cuts between July and August and reimbursement to the Village Caretaker for repairs to the memorial seat on The Green. Invoices were also paid for the annual pay area inspection by Wicksteed and to PKF Littlejohn LLP for the external audit.

The Book Exchange was damaged during August when some glass panels were intentionally broken. The Village Caretaker repaired this and we also reported the incident to the Police. We have been experiencing some issues with the number and type of books being left in the phone box. Please can you be considerate in the number you leave and remember that young children also use the box to find books.

The Parish Council have approved use of the car park and playing field by the Village Hall Committee in order to hold the Bonfire Night event this year. We hope that this will be a successful event this year.

Neighbourhood Plan: The Parish Council aim to hold public events to receive resident's feedback about the sites' assessments at an event in the village hall on 8th October. A notice will be circulated to households inviting parishioners to attend. We hope you can take part.

Finally, in the last edition we noted that we are looking for a person to take on responsibility for flag raising and lowering on the flag pole on The Green. We have not received any volunteers to date. Please let the Clerk know if you would like to take this on.

Gavin Monks, Clerk to Ingham Parish Council

Good news! If your child was born between the 1st September 2017 and the 31st August 2018 then it is time to apply for a place in Reception for next September! We know this sounds like a massive step and very soon, but it is important that you apply on the Lincolnshire County Council website, shortly. Online applications open on the 15th November 2021 and

close at midday on the 15th January 2022 for September 2022 entry. We would absolutely love for you to choose our school and would be pleased to hear from you if you have any questions you'd like answering. And if you are really looking a long way into the future then we also have some reassurances for secondary school choices below! (Yes the time does really go that quickly)

Secondary School Place Myth Buster

From time to time we hear rumours circulating around the village that "Ingham Primary School is outside the catchment area for William Farr School." This is simply not true and causes damage to our own school when local families choose to live elsewhere or not attend our school because of this information.

Firstly it is important to note that school admissions are based on a child's home residence, not the previous school they attended. In my time as Headteacher of Ingham Primary School (11 years) there has only been one year where some children were unsuccessful in gaining a place at their preferred school of William Farr. That particular year there was a considerably larger cohort at many of the local schools. If you hear rumours that Ingham is outside of the catchment for William Farr School - it is simply not true. Please do check with us (or with William Farr School), either call the office on 01522 730244 or arrange to come and see me at school. We'd love to meet you and your children and show you all the reasons why you should consider Ingham Primary School to start your child's educational journey (and in case you are looking for a school family to slot into mid-year, we always love welcoming new members).

Thank you.

Mr I Tyas, Headteacher, Ingham Primary School.

PRESENTED BY SPECIAL ARRANGEMENT WITH STAGESCRIPTS LTD

After an 18 month unforeseen break due to the pandemic of the century, Scothern Players have resumed rehearsals for their long awaited situational farce "Don't Get Your Vicars in a Twist".

Yes, the comedy play you should have seen in January 2020 is back. Barring further isolation restrictions, it will

be staged for your enjoyment at **Scothern Village Hall** on the **6th** and **7th** of **November** and the **12th** and **13th** of **November 2021**. Doors will open at **7 pm** for a **7.30 pm** start. All tickets cost a mere **£ 9** each and are available

at

WWW.SCOTHERNPLAYERS.ORG.UK or on **01673 861412**.

To reassure those of a cautious disposition we have reduced our seating capacity to give you more breathing space and masks may be worn if you wish to do so.

Come along and enjoy the experience of live entertainment that you have been denied since the Covid virus first reared its ugly head.

What happens when the Vicar is away? The church wardens arrange a murder mystery weekend in the vicarage of course. But when the Bishop makes a surprise visit identities are confused and mayhem results ! We only hope we can do justice to an hilarious and clever script by Anne Gawthorpe and Lesley Bown.

So this November don't miss the best laughs since....well, since we could laugh in public without a mask !!

Able Community Care is a Norfolk home care company which was established in 1980 and now provides care 24/7 throughout the UK and beyond.

We continually read news/articles flagging up the activities of Doorstep Criminals: fraudulent roofers, gardeners, service officials and other non-genuine visitors who target older people. Over the years we have also had first-hand evidence from our own clients and carers.

As a company we have decided to see if we can help prevent this on a small scale and so we have had the Door Safety Sticker (attached) to give away to older people. To date we have sent out 60,000 upon request, since February 2019.

If you think your older readers may like to have one, please ask them to either ring us on 01603 764567 or email to info@ablecommunitycare.com.

We will not keep their details other than to send out the door sticker to them.

Best wishes

Angela Gifford CEO.

Fillingham Parish Meeting

Monday 6th September 2021
Held at Fillingham Village Hall

In Attendance: Margaret O'Grady (Chair), Peter O'Grady (Vice-Chair), Glenn Cargill (RFO), Dawn Greetham (Clerk) and four further parishioners.

Apologies for absence: PCSO Julie McFaul, Vicky Cargill, Cllr Roger Pattison.

Notices of Interest: None

Minutes of the last meeting (4th May 2021): The minutes were approved unanimously and signed.

Matters arising from the minutes not covered elsewhere in the meeting: None.

Reports:

- Police:** PCSO Julie reported that there have been two incidents: Person seen on the new building site, checked by police and no person(s) found. Lock on a property on Rectory Lea tampered with. No entry gained. The police have been made aware of unknown person(s) throwing filled doggy bags at a new property on High Street/Rectory Lea. The property is currently empty although sold. If you can assist PCSO Julie with her enquiries please email; julie.mcfaul@lincs.police.uk with any information you may have, any information given will be strictly confidential. This has also been registered with West Lindsey District Council Anti-social behavior case no. 358705363.
- Finance:** Reports on accounts: Glenn reported to the meeting that the village hall has received grants during the period of lockdown due to Covid 19 and he asked the meeting to ring fence some of the funds to future proof maintenance for the hall, some stone walls in need of urgent repair. Margaret has obtained an estimate which is in the region of £3,900 plus and a breakdown of expenses was requested. It is anticipated that approximate £500 a year will be obtained through fundraising for the village hall from events. It was also discussed whether the parish assist the church with repairs to the wall in front of the church and the path leading to the main door. The estimated cost will be a further £4,680. It is proposed that the parish be responsible for the grass cutting in the churchyard for this financial year. To be discussed at a further meeting.
- Village Hall:** The hall is now taking bookings with reviewed booking instructions in line with Covid restrictions. The new putty in the windows had not hardened. The painter has agreed to return to finish painting when it is hardened. The two toilets in the Ladies are in need of repair and a plumber has been instructed. Also a lock is broken on the Gents toilet and it was proposed and seconded that Margaret purchase a new lock.
- Playground:** Regular weekly checks to the playground have been carried out. The defibrillator is checked weekly with no issues. The annual playground inspection has been booked with Wikstead.
- Update on legal/land registry/charity status:** This is still ongoing and it was suggested that a new solicitor be appointed.

Correspondence:

- Invoices received: None
- Temporary traffic restriction - TTRO/3596 footpath work 18/10/2021 to 30/10/2021 reference 4165993. Margaret to request further details regarding proposed times of road closures and extent of work.
- Planning permission 143510 request for a poultry farm plus dwelling. Further thoughts and comments to be addressed by West Lindsey council.

Parish/District/county matters:

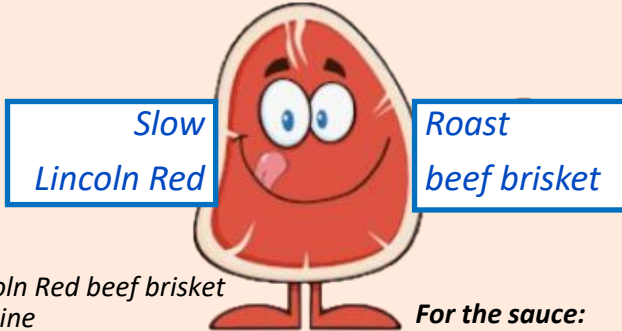

- Parish Trust update: Still ongoing
- Broadband update: A quote of £130,000 has been received. Peter has asked for further information regarding costs.

Any other business: It was agreed that a copy of the Village Venture magazine and a welcome letter will be delivered to new parishioners as they arrive in the new development. A letter requesting dog owners to clear up after their dogs will be inserted in the October Village Venture magazine. A reflector will be placed on the telegraph pole on Willingham Road. It was agreed that a new ladder will be purchased for the church. Fillingham Friends coffee morning will be resuming on the last Friday of the month.

Date of next meeting: 4th October 2021.

FRESH from ALISON'S KITCHEN

While we start to think about the inevitable change of cuisine as the autumn months approach, here's some very appropriate Lincolnshire fare to delight the tables of those who live in these parts. Lincoln Red beef can be served in a number of ways but this slow roast must be up there with the best. Give it a go and support local producers at the same time (well perhaps not with the girolle mushrooms - although it is worth enquiring at the Ingham Village Mini-Market!).

Ingredients:

- 1kg of Lincoln Red beef brisket
- 2lt of red wine
- 1 diced carrot
- 1 diced red onion
- 1 diced head of celery
- Bunch of fresh thyme
- 4lt of beef stock
- Scottish girolle mushrooms
- 100g of butter
- 1 clove of garlic chopped
- Salt and pepper to taste

For the sauce:

- 250g of blueberries
- 50g of butter
- 5 juniper berries crushed
- 1 chopped shallot
- 50ml of plain vodka (save the rest of the bottle for later!)
- 1 tablespoon of caster sugar
- 100ml of beef stock
- Salt to taste

Method:

1. Season the brisket, roast both sides in a baking tray with a little oil.
2. Remove the brisket and add all diced vegetables and thyme, cook for 5 minutes.
3. Wet with the red wine and add the brisket, pour all the stock.
4. Cover with aluminium foil and bake in a 90°C hot oven for 8 hours or overnight.
5. For the sauce melt the butter in a pan, add the crushed juniper berries and gently infuse for 15 minutes, strain the juniper and add the chopped shallot.
6. Cook for 4 minutes and add the sugar and blueberries.
7. Cook for 1 minute and wet with the vodka, add the cooking liquid from the beef and cook for 10 minutes.
8. Blend to puree and serve with the brisket. Before serving wash the girolle mushrooms and pan fry with a little oil and salt.

LETTER FROM THE PARISH PRIEST***Autumn is here ... life goes on ...***

It has been a joy to watch harvesters at work in the fields recently. There is something special about harvesting. The sight of plumes of dust rising behind the harvester and the trailer is still before my eyes! The miracle of Nature! Providence! A century ago, it was all so different! Everything was done manually – the reaping, gathering, threshing...and the milling. Now a single person can do all that using the latest and sophisticated machines!

It hasn't been good news for the English Team at the The Oval. As I write, the match to be played at Emirates Old Trafford Cricket Ground at Manchester has been cancelled due to cases of covid-19 among the players. We were hoping to see a thrilling finish but the pandemic has reared its ugly head again! But our Emma Raducanu has made up for that! Aren't we all so proud of and inspired by her mind-boggling performance?

Lots of things are happening on the political front. The 1.25 increase on the NI will bring extra cash to the NHS but will it solve the problem of care and over 5 million on the waiting list for special treatments? Politics is basically a good thing but are our politicians doing the right things for people in this land? A good question to ponder and pray about.

Huge changes are afoot in the Church of England and in our own Diocese of Lincoln. There is a lot of good will everywhere. But again, will the changes being bandied about bring about the real change that the Church needs? Balancing the books is a good thing but what about the Kingdom of God? It is time every baptised Christian rediscover his/her role to spread the 'good news' of hope and love in his/her home and neighbourhood.

Many are suffering, quietly wiping tears of indignation, desperation and frustration. It looks like an invisible evil force wants to strangle our way of life and human integrity. We are also swamped with new technologies some of which are merely money-making novelties. Life has changed. Culture has changed. Technology is good but has it increased our sense of security and serenity? Isn't it also time to turn to a spiritual solution? Will we take the hint? Will we cross the Rubicon of faith decisions once and for all?

Our nine churches (one on the way to close) are not mere buildings. They are living symbols of faith of our ancestors. The Springline Parish exists for you. We know you are reticent and wary. But give the Church another chance to help you in your spiritual journey! As St Paul wrote: "All things are possible for those who love God!"

Your friend,

Fr Sebastian (Rector, Springline Parish, Diocese of Lincoln)

Thank you to the Village Venture for last month's wonderful article about the RAF Scampton Commemorative Window in Scampton Church

More panes now available for sponsorship.

The window and commemorative book are now installed in church and we have released some more panes for sponsorship (post installation).

This was due to the artist creating more panes than originally planned on her conceptual sketch.

The principle is the same as before the window was installed. Select the numbered pane you wish to sponsor from the attached window key, and send your dedication to:

rafwindow@scamptonchurch.org and we will enter it into the commemorative book.

The available panes are:

98,118,178,179,180,181,182,183, 184,185,186,187,188,189,190,191, 193,194,195,196,198,199,)

We respectfully suggest a donation of £100 per panel.

All proceeds now go towards the creation of a Scampton Community & RAF War Graves Heritage Centre here at Scampton Church.

Thank you to all the readers of the Village Venture who have supported this meaningful tribute to all who have served at RAF Scampton. Without your support this project would not have been possible.

Scampton Parish Council

At the meeting on Thursday 2nd September 2021 the main topics for discussion were those raised at the Annual Parish Meeting.

Cllr. Sneath reported that following on from the discussions with residents at the Annual Parish Meeting she had looked at the Minutes from the previous 4 years. Via Lincolnshire Road Safety Partnership she contacted Graeme Butler, a LCC Highways engineer, who agreed to meet her in the village to discuss residents' concerns.

The following items were raised and discussed:

1. Siting of 2 highway poles with SID boards attached to these – Graeme stated that there was nothing wrong in where they had been placed at either end of the village. He did confirm that all areas in the country are dealing with massive speeding problems at the present time.
He suggested that the PC look at asking LCC highways to change a small metal pole with 30mph sign attached to it, for a larger pole and purchase extra sets of brackets, this would give more flexibility to move SID boards around the village.
2. Graeme said that the next best thing would be to join Community Speed Watch programme that is organised by LRSP. Cllr Sneath explained that we had already done this and acquired some volunteers. We have now gone live with putting CSW into operation. The main idea is to educate speeding drivers to change their driving habits.
3. Tree roots on corner of paddock, growing through pathway, could cause accidents to walkers – Graeme will pass this onto highways.
4. 2 broken drain covers on paddock – he would pass this onto highways again but mark it as urgent job as they are dangerous.
5. Pathway in bad state in front of cottages near to church – he would pass this on to highways.
6. Bollards on road in front of church – unfortunately it would take a seriously bad accident or a fatality to get highways to look at this concern.
7. Tree branches over hanging lamp post 20 near St John's Close – Graeme will ask question at highways, who is responsible highways or PC.
General question regarding the trees on the village green – Graeme will again ask highways to check whether highways or PC are responsible.
8. Finally Cllr Sneath took Graeme to look at the footpath causing concern at the back of the new housing development – he will send an email to Chris Miller at highways and ask him to do a site visit and if necessary have a chat with the developer.

The PC agreed to ask highways to change a small pole for a larger pole to enable the SID boards to be moved around.

Most of these issues had already been reported to Highways but it was hoped that with the additional input from Graeme the matters would be attended to more quickly.

Full Minutes can be read on the Parish Council website after their approval at the next Parish Council meeting <http://parishes.lincolnshire.gov.uk/scampton>

FILLINGHAM PICNIC IN THE PARK

Families and friends got together for food and fun at Fillingham's Picnic in the Park, held at the village hall on Saturday, September 4th.

Residents of Fillingham and nearby villages enjoyed picnicking in the park followed by races and the ever popular egg roulette in the first community event to be held there in more than a year.

After lunches were consumed, Fillingham's Ray Greetham rallied both young and old as he compered the fun races at 2.30pm starting with the egg and spoon race - children competed first then adults also had a chance to join the fun! Sweets were up for grabs for the winners.

Next teams of children competed in the water relay where competitors had to run with a cup of water and pour it in a bottle at the other side of the park. The team with the most water in the bottle when the whistle blew were declared winners.

A variety of different tactics were employed from slow and steady to running at full pelt and holding T-shirts and hands over the top of the cup. The result was almost too close to call as each of the teams did such a good job!

The egg relay called for careful catching and throwing as teams of children and adults worked together to throw raw eggs along their line - the winner was the first team to get all their six eggs to last person in the line without breaking them. Surprisingly almost all the eggs made it intact! The final event of the afternoon was egg roulette which has been a favourite at the Fillingham Fete for some years.

Twenty-four brave souls each chose an egg from a batch of 24 - 23 of which were hard boiled and one was raw. Then standing in a circle everyone smashed their egg on top of their head - the person with the raw egg certainly got messy but won £10 to make up for it! Fillingham Parish Meeting chairperson Margaret O'Grady said: "The afternoon was a great success and it was lovely to see lots of residents and people from surrounding villages getting together again to have fun."

Scarecrows Return to Glentworth!

September sun welcomed back the Glentworth Scarecrow Festival and its celebration of "Books and their Characters".

Children's favourites, the Arabian Nights, classic novels, thrillers and more sprang up to celebrate Glentworth's first community get together since you know when. Paddington and The Stick Man rubbed shoulders with Erno Goldfinger, The Man in the Iron Mask and Moominpapa – the oddest dinner party ever!!

Tasty barbecue food and a well stocked bar together with ice creams and delicious cakes helped villagers and visitors enjoy a relaxed afternoon in the sunshine catching up with old friends and making some new ones.

A big thank you to everyone who made scarecrows, volunteered on the day and who turned up to share in the event.

Time to think of a theme

for next year now!!

LOCAL PRIORITY

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. Our priority(s) for the next quarter is:

1. COVID 19 pandemic breaches
2. SPEEDING – proactive speed checks

WHAT'S BEEN HAPPENING

SPEEDING – we will be conducting speed checks in hot spot areas to reduce the amount of speeding vehicles on our roads.

ASB – although ASB has much reduced the summer holiday period is almost upon us so patrols will continue to minimise the ASB that tends to occur during the summer months.

E-SCOOTERS - Please note that E-Scooters can only be used on private land, with the consent of the land owner. They are illegal to use on public roads, including pavements. The only exception to this is where there are government trials ongoing, with a rental scheme in some areas, with tight restrictions. **Lincolnshire is not included in the trial.** If used illegally or inappropriately Police have the power to seize e-scooters and issues fines, penalty points. **Welton/Hemswell beat team have already responded to complaints and dealt with offenders accordingly.**
