A Note from your Editor

Hello

Its November already, the season of "mists and mellow fruitfulness". Still, whatever your thoughts at this time of the year there is a lot to look forward to in this month's issue of the Village Venture.

If your children get excited about Bonfire Night then don't forget the **Bonfire and Firework display** at Ingham - all the details on **Page 38**. Interested in **Flower arranging**? **Page 28** has everything you need. **Archaeology**? Then turn to **page 40 and 41**.

If you have an event next month and would like our photographer to take some photos to appear in the next issue, turn to **Page 46**,

With Christmas rapidly approaching there are so many things you can arrange to go to by reading through this issue:

Make a date to see Santa - **Page 11**, Get ready to choose your Christmas tree - **Page 21**, Start to gather your Christmas gifts - **Page 27 & 41**, Enjoy an evening of Christmas Music - **Page 30**. Count down to switching on your Christmas tree lights - **Page 42**.

And don't forget to mention where you have seen a trade advertisement, without them we would not be able to produce your Village Venture!

Keep looking after yourselves and Stay Safe! **Bill Shaw**

Ingham Holiday Cottages

Are you looking for self-catering accommodation for your visiting friends, family or just a getaway for yourselves? Maybe you require a place to stay whilst your home is being renovated or waiting to move house?

These extremely popular and established holiday cottages offer luxury accommodation both set in the heart of the traditional village of Ingham.

The Dairy Barn, for up to 4 guests, children welcome, incorporates spacious traditional and contemporary features but still maintaining a homely feel with a private courtyard, luxurious Hot Tub and secure parking.

Bimble Cottage, for up to 2 guests and one small/med pet, this charming Grade II listed

terrace cottage has full amenities, log burner, cottage garden with patio area.

The Best Trentino Pinot Grigio

Altitude and latitude help Trentino in North Eastern Italy produce rounder and livelier pinot grigio than Central Italy usually does, as this really attractive option demonstrates. Classily soft and velvety, it exhibits pear and cooked apple flavours supported by firm acidity and traces of mace within its impressive depth.

[Note: There is no vintage stated for this wine – possibly 2019 in some stores and 2020 in others]

Specially Selected Australian Shiraz

Once again, Aldi is delighting us with well-made (but gently priced) shiraz from a top South Australian producer. Soft and medium-bodied, it provides smooth plum, black cherry and raspberry flavours with gentle tannin but good acidity - along with cocoa, aniseed and mint elements and a slightly tarry finish.

Remembrance Sunday Service

Sunday 14th November 10.30am

This term continues to bring new adventures and amazing learning for our school family. Our new starters are making wonderful progress as they settle in to their new 'big school'. We had a great time on our residential visit and have also had a trip to the Epic Centre to celebrate Lincolnshire Day with a number of local industries. We've now appointed our House Captains, Early Years Prefects (Year 6 pupils who support Reception pupils) and elected our School Council. We're looking forward to supporting our nominated charity of the year that was chosen by children – *Lincolnshire and Nottinghamshire Air Ambulance*. At Scampton School, children and parents are central in leading the school and making it the forward looking and friendly community it is. We are grateful to so many community members who contribute to the life of the school ensuring a vibrant range of opportunities for the children that includes our before and after school club, a very active PTA (FOSS), Governors and the Church. Great examples of this in recent weeks include an enjoyable morning with parents, children and friends painting gates and wooden furniture at the front of the school and a project led by the church stained glass window project which will soon lead to a remembrance event in the 617 Hangar at RAF Scampton with our friends at Pollyplatt School. There is so much going on here and we would love to share it with you. If you are looking for a school place in Reception for September 2022, the application window opens on 15th November. Come and visit us to find out more. We run a monthly pre-school session on the last Monday of each month (Little Bear Cubs) to which new families are always welcome. Visit the school website to find out more – www.scampton.lincs.sch.uk.

From The PCC Secretary

A very enjoyable concert by The Springline Choir took place in Brattleby Church on the 1st October and it was lovely to get together and hear live singing followed by wine and refreshments.

Thank you to everybody who helped and supported the event.

We are now thinking ahead and planning our Christmas services and looking forward to being able to meet together and sing, unlike last year.

During the past month, we have been working to define the status of our churches under the diocesan "Time to change together" initiative.

Fillingham, Brattleby, and North Carlton are scheduled to become Festival Churches only holding occasional services, and the remaining churches will be known as Community Churches maintaining a more regular pattern of worship. More details of these planned changes will be revealed over the coming months

If you require any help or assistance please contact either Fr Sebastian or myself.

Kind regards

John Moore

Secretary to The Springline Parish PCC

News from Glentworth Parish Council

The Parish Council have received the conclusion of the external audit of parish accounts and processes for 2020/21 and we are pleased to say that there have been no comments. The notice of conclusion is currently displayed on the parish noticeboard and website.

The annual play area inspection of play equipment in the village has been undertaken by ROSPA which have found no significant issues. Clearly some parts of equipment have been removed for safety reasons. The recreation area project will deliver a complete replacement of equipment, except for the swings, with a large multi play item, a fisher boat and sommersault bars. There will also be the addition of seating and picnic tables. The Parish Council are currently in the process of applying for funding.

The Parish Council thank Glentworth Scottish Farms for the improvements made recently to the Northlands Road track. The introduction of troughs at each end has not only provided a deterrent to vehicles using the track but also provided an opportunity to fill them with flowers.

We continue to work on the reinstatement of a footpath to Harpswell. The request to the County Council is low on the priority list and progress is not quick. We are therefore in the process of appealing to the Secretary of State to assist.

Lincolnshire County Council Highways have made a number of pot hole repairs in the village. They will also be making repairs to Kexby Road, West of Church Street, between 5/11 and 9/11. We have also requested an improvement to the road edge of Coachroad Hill.

As you may be aware, the defibrillator cabinet outside the Village Hall developed a fault and was therefore removed from the EMAS database temporarily while a replacement was sourced. I am delighted to say the West Lindsey District Council have provided a replacement cabinet and defibrillator which are now emergency ready. This is in addition to the recently installed defibrillator on Hawthorne Close. We hope to be able to arrange some community training in due course.

The Parish Council are also looking at introducing extra seating and litter bins around the village. If you have any preference for locations then please let the Clerk or a Councillor know. We are also looking into areas where wildflowers can be planted.

Finally, we have been made aware that there are plans to introduce 2 solar farms on land near to Cottam and West Burton power stations. The proposed sites are located close to us and other local villages. A consultation will begin in due course.

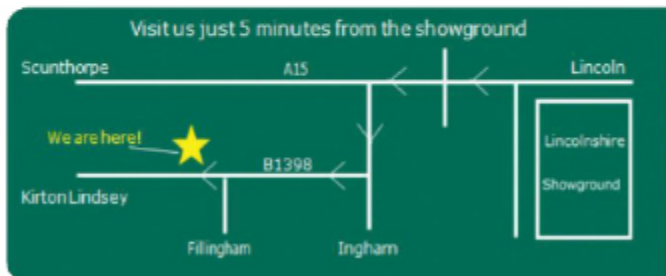

Gavin Monks, Clerk/RFO Glentworth Parish Council

Ingham Parish Council Update

This update is based on decisions and updates at the last meeting of the Parish Council on 11th October. You can find the most recent agreed minutes on the Parish Council website <https://ingham.parish.lincolnshire.gov.uk> and the Parish Council noticeboard.

The speed sign is currently positioned on Lincoln Road and the average speed in September was 27.7mph. Thank you to all of you who continue to adhere to the speed limit in the village.

Recreation area project: Following the receipt of tender responses, funding applications are being completed to try to raise enough to cover the £100,000 cost. This is expected to be very competitive with very few funding options being available to Parish Council currently however, we are hopeful we will be successful.

Financial matters: The Parish Council approved payments to Green Grass Contracting for the grass cut in September and for the cost of two wreaths for Remembrance Day. The Remembrance Day Civic Event is expected to be limited to a small gathering around the war memorial this year.

Highways: Lincolnshire County Council Highways have recently undertaken works to fill pot holes around the village, fill pot holes on Ingham Lane and drainage works on West End. The Parish Council have asked them to assess the road across the Green from West End as this is very uneven. Hedge cutting works are also scheduled for the hedge on Grange Lane, close to Grange Close. County Councillor Butroid is also supporting our request to extend the scope of the 30mph zone around the Crossways junction and implement a white line to demarcate a footpath outside 14 High Street.

Lincolnshire County Council have offered trees for the village as part of the Treescapes scheme. The Clerk has met with the Environment and Community Projects Officer and locations have been agreed for six new trees. These are expected to be planted by February 2022 in areas including the playing field and adjacent to the Parish Council noticeboard.

A Christmas Tree has been ordered for the village and this should be erected in its usual location close to the Book Exchange in early December and a Christmas Tree lighting ceremony is being arranged.

The Parish Council have returned comments to West Lindsey District Council Planning about a planning application for a poultry farm, close to Plum Products between the B1398 and A15. If parishioners would like to find out more about this application you can find details at www.west-lindsey.gov.uk/planning (143510).

The Parish Council have also been made aware of plans to install 2 large solar farms in various locations around Cottam and West Burton power stations. Some of these are very close to Ingham and other local villages. A consultation is open and you can find out more at (www.cottamsolar.co.uk / www.westburtonsolar.co.uk).

Our timeless values are both a hint back to our history and heritage but also a measure of those things that we value here at Ingham Primary School, the most. We are values-driven; all children can name the school's six values and these are explored in turn in detail each half-term. Our values are: Community, Love, Hope, Endurance, Fairness and Respect. Next half-term we will be exploring 'Hope':

examining how we can strive to be better every day and to make the world a better place. You can also find a little of what our values mean to us on our Prospective Parents page on our website.

A reminder following last month's Village Venture article, if your child was born between the 1st September 2017 and the 31st August 2018 then it is time to apply for a place in Reception for next September! Online applications, on the Lincolnshire County Council website, open on the 15th November 2021 and close at midday on the 15th January 2022 for September 2022 entry. We are known to be a very caring school who will always go the extra mile; likewise, we strive for academic excellence. Parents will often thank us for going above and beyond and for not giving up on their children. Parents of those who have transitioned to secondary school describe their children as "flourishing" and "ready for the next step". It is testament to the longevity and journey of the school that at any time there always seem to be children in our school whose parents were once pupils here, and often grandparents too, in fact we're looking into starting an alumni register because we're all about community (do get in touch if you would like to find out more).

We have recently had an Open Morning but, if you were unable to make that, don't panic! We would absolutely love for you to choose our school and we are always pleased to hear from you, if you have any questions you'd like answering or would like to have a look around please contact

Thank you.

Mr I Tyas, Headteacher, Ingham Primary School.

PRESENTED BY SPECIAL ARRANGEMENT WITH STAGESCRIPTS LTD

After an 18 month unforeseen break due to the pandemic of the century, Scothern Players have resumed rehearsals for their long awaited situational farce "Don't Get Your Vicars in a Twist".

Yes, the comedy play you should have seen in January 2020 is back. Barring further isolation restrictions, it will

be staged for your enjoyment at **Scothern Village Hall** on the **6th** and **7th** of **November** and the **12th** and **13th** of **November 2021**. Doors will open at **7 pm** for a **7.30 pm** start. All tickets cost a mere **£ 9** each and are available

at

WWW.SCOTHERNPLAYERS.ORG.UK or on **01673 861412.**

To reassure those of a cautious disposition we have reduced our seating capacity to give you more breathing space and masks may be worn if you wish to do so.

Come along and enjoy the experience of live entertainment that you have been denied since the Covid virus first reared it's ugly head.

What happens when the Vicar is away? The church wardens arrange a murder mystery weekend in the vicarage of course. But when the Bishop makes a surprise visit identities are confused and mayhem results ! We only hope we can do justice to an hilarious and clever script by Anne Gawthorpe and Lesley Bown.

So this November don't miss the best laughs since....well, since we could laugh in public without a mask !!

Able Community Care is a Norfolk home care company which was established in 1980 and now provides care 24/7 throughout the UK and beyond.

We continually read news/articles flagging up the activities of Doorstep Criminals: fraudulent roofers, gardeners, service officials and other non-genuine visitors who target older people. Over the years we have also had first-hand evidence from our own clients

and carers.

As a company we have decided to see if we can help prevent this on a small scale and so we have had the Door Safety Sticker (attached) to give away to older people. To date we have sent out 60,000 upon request, since February 2019.

If you think your older readers may like to have one, please ask them to either ring us on 01603 764567 or email to info@ablecommunitycare.com.

We will not keep their details other than to send out the door sticker to them.

Best wishes

Angela Gifford CEO.

MacNaughton Family

We would like to thank our friends and neighbours for their kindness following the death of David, 02/04/33 - 04/10/21. Your support has been immeasurable.

Fillingham Parish Meeting

1. In Attendance: Margaret O'Grady (Chair), Peter O'Grady (Vice-Chair), Glenn Cargill (RFO), Dawn Greetham (Clerk), Cllr Roger Pattison and nine further parishioners.

2. Apologies for absence: PCSO Julie McFaul.

3. Notices of Interest: None.

4. Minutes of the last meeting (6th September 2021): Approved unanimously and signed.

5. Matters arising from the minutes not covered elsewhere in the meeting: None.

6. Reports:

I. Police: PCSO Julie reported one incident: 10/9 Burglary - an untidy search and spare keys to vehicles taken from property on High Street.

II. Finance: Glenn reported that the finances remain healthy. All utilities have been settled. A discussion followed regarding future proofing finances to include further maintenance to the hall and village and ring-fencing finances accordingly. The village precept for 2022/23 was also discussed and it was agreed that the precept be increased by 3% every year. It was suggested that the precept for 2022/23 should be £5,222 to be discussed at the next meeting.

III. Village Hall: Leaks to the Ladies toilets have been fixed and a new bulb purchased. Gents toilet lock is also fixed. Bookings have been taken and payments made.

IV. Playground: Weekly checks to the playground and defibrillator are made. The annual inspection is still to be carried out. There was a discussion regarding bird fouling on the play equipment.

V. Update on legal/land registry,/charity status: This is still ongoing.

7. Correspondence:

I. Invoices received: None.

II. Temporary traffic restriction - TTRO/3596 footpath work 18/10/2021 to 30/10/2021 reference 4165993. This work should take place between 9.30 and 3.30 and will include the reconstruction and widening of the footpath.

8. Parish/District/county matters:

I. Parish Trust update: No further information.

II. Broadband update: A revised price of £130,000 has been received and further options were requested. It was suggested that a separate meeting be called to discuss the revised price.

III. Cllr Pattison gave an update regarding the plans for the Queen's Jubilee and informed the meeting that the council is making trees available to plant to commemorate the event. There may also be funds available for street parties.

9. Any other business: Planning permission is being sought for a solar farm to the area by the Cotton and West Burton Solar project. The proposed area will be in close proximity to Ingham, Fillingham and Sturton. The parish has requested that interested parties contact the project directly at www.cottamsolar.co.uk and www.westburtonsolar.co.uk. Fillingham Parish Meeting will be registered as interested party. A parishioner's family have requested that they donate a bench to be installed on the village green to commemorate their family member, this was agreed unanimously. An estimate of £780 to repair the damage to the stone wall on the High Street has been received and a further quote will be requested. Volunteers to assist with the Christmas market on 20th November were requested. Donations of cakes and crafted items are also welcome. A donation of tulip bulbs has also been made. A parishioner has asked for Margaret to clarify the colour of the curb stones with the builders of the new houses as they are grey. The Apple day event will be on 16th October

10. Date of next meeting: 1st November 2021.

FRESH from ALISON'S KITCHEN

This one will set the mouth-watering for a delicious light (ish) bite on a Saturday lunchtime while watching Jeff Stelling and his Gillette Soccer panellists. Unbelievable.

Ingredients:

- 1½lb (650g) flank steak, sliced against the grain
- 1½lb (650g) baby yellow potatoes, quartered
- 1 tbsp olive oil
- 3 tbsp butter, divided
- 5 garlic cloves, minced
- 1 tsp fresh thyme, chopped
- 1 tsp fresh rosemary, chopped
- 1 tsp fresh oregano, chopped
- Salt and fresh cracked pepper
- Crushed red chilli pepper flakes (optional)

**Garlic Butter
Steak and
Potatoes Skillet**

Marinade

- ½ cup soy sauce (or coconut aminos for paleo & gluten-free)
- 1 tbsp olive oil
- 1 tbsp hot sauce eg sriracha
- Fresh cracked pepper

Method:

1. Combine the steak strips with soy sauce, olive oil, pepper and hot sauce; set aside and allow to marinate while the potatoes are cooking
2. In a large skillet over medium-high heat, mix 1 tbsp olive oil and 1 tbsp butter; when the butter is melted add potato wedges. Cook for around 4 mins, stir and cook an additional 4-5 mins until the wedges are golden and fork-tender. Transfer sautéed potatoes to a plate and set aside.
3. Keep the same skillet over medium heat and add the remaining 2 tbsp of butter, garlic, red chilli pepper flakes and fresh herbs. Place the steak strips in one layer in the skillet, keeping the drained steak marinade for later. Cook the steak strips on each side for one min each until browned.
4. Stir in the reserved marinade and cook for 1 min; add the potato wedges back to the pan and heat through seasoning with salt and pepper as desired.
5. Serve with a garnish of sprinkled parmesan cheese if you like.

LETTER FROM THE PARISH PRIEST

Autumn...November remembrances...and Advent Season ...

Time and tide wait for no one. Autumn is here again and the cold weather is settling in. Boilers are on but gas and electricity bills will be another story! The fireplace and heaters take pride of place and chimneysweeps have done their jobs. Walking the dog is great but a challenge now especially in the mornings! Days are shorter and nights longer, the miracles of Nature! We are blessed, aren't we, to have four seasons in the year. Climate change has done its bit and in some parts of the world there is just one season!

Harvests are in and harvest services will soon give way to carol services! But before that we have the annual Remembrance Services in the Parish at Burton, Scampton and Ingham. It is a poignant occasion as we remember those who gave their lives away for us. We are also hoping to have an All Souls and Bereavement Service in November.

November also inaugurates Advent Season, a time to prepare for Christmas – the birth of Jesus Christ our Saviour. Most of our village churches will hold carol services and sing those lovely carols which in the previous year we couldn't due to the lockdowns. Now we are permitted to sing and we are also reminded to take care of each other as well.

Bishop Christopher Lawson, our Diocesan Bishop, retires at the end of December. We wish him and Susan every blessing as they begin a new life on the Scottish Borders. We assure them of our thoughts and prayer for all he did for the people of this diocese.

That reminds me that I too, along with Alida, have decided to retire early. A heart-wringing decision but we felt we had to do it. I could carry on for another three years but feel now is the time to call it a day after more than 38 plus years of ministry as an ordained priest first in the RC Church and for the last 21 years in the Church of England, having already worked in India, Tanzania and Italy before coming to the UK.

Alida and I will miss each and every one of you whom we have begun to love and cherish. We will also miss the beautiful, rural, agricultural Lincolnshire! We shall initially be living in our home in Umbria, Italy, before we decide where to settle down! We will miss you all and will always love you and remember you in our thoughts and prayers!

I wish you all a wonderful Autumn, a lovely month of November remembrances and a Happy Advent Season. Christmas isn't far! God bless you all everyone!

Your friend,
Fr Sebastian (Rector, Springline Parish, Diocese of Lincoln)

200 CLUB LOTTERY

Since its formation in 1976, the 200 Club has awarded prizes of **£80,000** to its members, and raising the same amount for the **Ingham and Cammeringham Village Hall**.

It remains a highly successful scheme with scope for more growth.

We are seeking a volunteer willing to spend a few hours each week to manage our lottery.

This involves processing the members' payments (*many which are by Standing Orders*), co-ordinating

with collectors and managing eight monthly draws.

We have a great Excel system to keep all our records.

Could this be you?

You would be helping to raise funds in the heart of the community at a time of potential growth with new residents settling in Ingham and Cammeringham.

The Cammeringham Brooch

In September 2019, a group of metal detectorists, with the landowner's permission, discovered a collection of weapons and dress accessories in a field near Cammeringham in Lincolnshire. Recognising their significance, the detectorists contacted Lincolnshire County Council (LCC) and the Portable Antiquities Scheme (PAS), to inform them of their exciting discoveries.

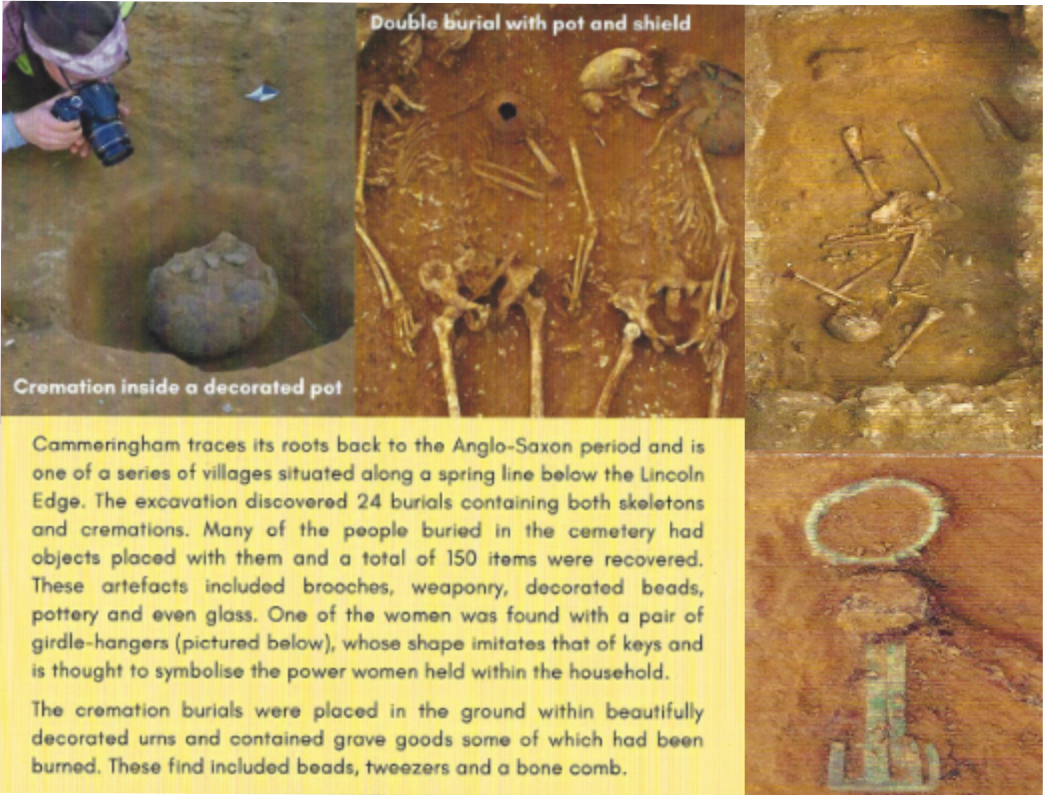

The PAS and University of Lincoln analysed, preserved, and restored the finds. Among the pieces was an exquisite copper-alloy, gilded square-headed brooch, decorated with depictions of animals and humans, including the image of a 'moustached man'. This pagan representation was thought to bring good luck to the wearer, so it was readily adopted as the project's logo!

The cemetery was at risk and with the support of the landowner, a plan was forged between the PAS, LCC, West Lindsey District Council and Historic England. It was hoped to be a community event, but this could not happen due to the pandemic. However, it was professionally excavated by Network Archaeology in the summer of 2020 and thousands of people locally, nationally and globally followed the discoveries through the Searching for Saxons Facebook page.

 A large informational poster titled 'SEARCHING FOR SAXONS IN LINCOLNSHIRE AN INTERACTIVE EXHIBITION FOR KS2'. The poster includes an overview of the project, a QR code, and several sections with images of artifacts:

- The Brooch:** An ornate square-headed brooch, decorated with depictions of animals and humans, including the image of a 'moustached man'.
- The Brooch Burial:** The brooch was found in a burial pit, along with other items like a sword and a shield.

Scampton Parish Council

The meeting held on Thursday 7th October 2021 opened with a minute's silence in memory of past Council Chairman, Mel Deacon, who had died last month.

PCSO Julie McFaul reported the theft of 1 tonne dumper from the building site in Scampton Village on 06.09.21

Steve Ulyat reported that he had finished the work on the lamp posts and that they were all now in good order. He recommended regular monitoring of their condition. The Chairman thanked him for all his work in maintaining the posts. Steve suggested that the PC contact Lincolnshire Wild Life Trust with a view to planting some wild flower verges. Cllr Sneath would contact them and Highways to see what was possible. Cllr Sneath reported that another speed check had been carried out and that 8 people had been caught doing speeds between 36 and 52 mph. They would be receiving letters. More checks were planned.

Bus Shelters – After discussion it was proposed by Cllr Patterson that:

1. Salt and vinegar, in larger quantities, be bought for the eradication of ash trees in the base of the millennium shelter.
2. That McNally's be asked to come and clean the shelter again.
3. That the wooden shelter by the church be painted with the preservative that had been bought from Knight's, the suppliers of the shelter.

This was seconded by Cllr Bulteel and agreed unanimously.

Litter picks were being held on a regular basis both at RAF Scampton and in the village and all the volunteers were thanked for making a real difference to the environment. It was suggested that coffee and tea might be provided and this would be looked into. The next event at RAF Scampton would probably be held in November.

Closure of RAF Scampton – The first meeting had been held where members of the Parish Council had been involved with other partners. It is still early days but please rest assured that they are working to ensure the best outcome for the residents of both communities.

Footpath – There were still concerns about the long term stability of the foot-path at the back of the new houses and Highways would be contacted again. Permission had not been sought from the PC for the path which had appeared across the south end of the green. Ownership of the land would be clarified and also whether permission had been gained from the relevant authority.

The Clerk would ascertain whether a joint event between the church and the PC could be organised for the Christmas Tree light up.

Cllr Patterson had little to report but mentioned the plans for the solar power farms to replace Cottam and West Burton power stations. Please see press releases.

A request was received from Charlie Hebborn on behalf of Scampton C of E Primary School for the display of a banner on the bus shelter – Granted.

Letter from resident of RAF Scampton about rubbish accumulating on land near their house. The PC had no authority to act as it was on Annington's land and were unable to reply as no contact details had been provided.

Finance

It was noted that the following payments had been made:

Haven Power	(August)	£74.56
The Clerk		£240.64
HMRC		£120.80
E-On (Maintenance)		£83.16

It was proposed by Cllr Patterson that the Invoice for £1350.00 received from S Ulyat for the work on the lamp posts be paid. This was seconded by Cllr Rumble and agreed unanimously.

Purchase Order received from LCC for their contribution to grass cutting. An invoice will be raised.

It was confirmed that a donation of £50 be paid to the Royal British Legion for the poppy appeal.

Planning –

PL/0112/21- LCC wish to retain the mobile classroom at Scampton C. of E School for a further 5 years – Approved 05.20.21

The Australian Army Takes to the Skies

Aussies in Lincolnshire

In 1911, representatives from Australia, Canada, Newfoundland, New Zealand and South Africa attended the Imperial Conference in London.

The Conference agreed to fund expansion of Imperial Airforce. It was eventually agreed that the Empire would have a common military force and the nations being represented would contribute towards its formation in Canada.

In 1914, Australia's only military aviation base was RAF Central Flying School, with two flying instructors and five training aircraft.

The RFC's first complete course was run in 1914, with 100 students for the North East. The first aircraft was a biplane, and the first instructor was a pilot from the Royal Naval Air Force.

LOCAL PRIORITY

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. Our priority(s) for the next quarter is:

1. COVID 19 pandemic breaches
2. SPEEDING – proactive speed checks

WHAT'S BEEN HAPPENING

SPEEDING – we will be conducting speed checks in hot spot areas to reduce the amount of speeding vehicles on our roads.

ASB – although ASB has much reduced the summer holiday period is almost upon us so patrols will continue to minimise the ASB that tends to occur during the summer months.

E-SCOOTERS- Please note that E-Scooters can only be used on private land, with the consent of the land owner. They are illegal to use on public roads, including pavements. The only exception to this is where there are government trials ongoing, with a rental scheme in some areas, with tight restrictions. Lincolnshire is not included in the trial. If used illegally or inappropriately Police have the power to seize e-scooters and issues fines, penalty points. Welton/Hemswell beat team have already responded to complaints and dealt with offenders accordingly.
